DAAD Selection Criteria for the EPOS Programme

Formal Criteria

- a complete set of documents including a ticked off and originally signed version of this form
- a completed DAAD application form. All information provided on the DAAD application form must match the information in your letter of motivation, in your CV, in applications to other degree programmes and in applications to other scholarship programmes.
- your degree completed with above-average grades (upper third). If your official degree certificate is not available yet, please provide confirmation from your university.
- a minimum of two years of relevant work experience at the time of the application and after completion of your first university degree
- Candidates applying for master´s courses and who already hold a master's degree must make a well-argued case as to why they should be funded for another postgraduate degree. Please explain why you would like to study for this particular further master's course and how it expands on the one you hold already.
- The candidates' last university degree should normally be no more than six years old.
- Candidates who have been in Germany for more than the past 15 months at the closing date for applications are not eligible.

Letter of Motivation

- This must include a convincing explanation of your academic, professional and personal reasons for applying to this course in Germany.
- If you are applying for more than one master's or PhD course:
  - Please rank the courses in order of preference, i.e. why is your first choice of course your first choice, why is your second choice your second choice and so on. For each choice of course please provide clear reasons why you think it will advance you academically and professionally.
  - You must provide the same letter of motivation to all courses you are applying for.
- Please describe any professional experience relevant to the course(s).
- Please address how your motivation relates to the goals of the EPOS Programme.

Selection criteria of the universities participating in the EPOS programme

All university courses have their own selection criteria which have to be met in addition to the DAAD's selection criteria.
